

California Childcare Health Program

The California Childcare Health Program (CCHP) is a community-oriented, multidisciplinary team dedicated to enhancing the quality of child care for California's children by initiating and strengthening linkages among the health, safety and child care communities and the families they serve.

California Training Institute (CTI): A Curriculum for Child Care Health Consultants

The California Training Institute at the California Childcare Health Program (CCHP) developed this curriculum to train health care professionals, including physicians, nurses and pediatric nurse practitioners, to become a Child Care Health Consultant.
